The Chamber is a 501 (c) nonprofit membership organization, independent of the City of Kersey. The organization operates on membership dues and funds generated from business-related events. The Chamber works in conjunction with citizens, businesses, educational and government partners and serves a variety of businesses, professionals, associations, organizations, and individuals that are dedicated to making our community a better place to live, work, and conduct business.

The Chamber is governed by four elected officers. Each officer views the opportunities and challenges through the lens of their professional expertise. The Chamber represents your views as an investor and partner in our community. We encourage you to come to a meeting held in the new Kersey Community Center the first Monday of the month, and meet our friendly, enthusiastic, and resourceful group.
